

## Premium Listing

\$26.00 per month / \$312.00 per year

Minimum subscription: 1 year Purchase a 1 year listing for \$208.00 and save \$104.00! See offer below. Your listing will include all options in the Basic and Expanded Listings PLUS these additional features:

- Description: 2000 characters of text describing who you are and what service you provide.
- Additional Pictures: you can include up to 5 pictures in addition to your logo
- Listing in Multiple Categories: this allows practitioners that practice more than one modality to add their listing in more than one category (5 maximum).

Example: you practice Reiki, massage, reflexology, cranial sacral and provide angel card readings. You pay for 1 premium listing and be listed in 5 different categories:

Therapies/Reiki, Therapies/Reflexology, Massage/Relaxation, Therapies/Cranial Sacral, Readings/Angel Card

Included in Basic and Expanded Listings :

- Company Name: Your name or the name of your business
- Address: Your office location, street address, city, state and zipcode. If you practice from your home and don't wish to publish your full address, we can just list your city, state and zip. This will allow users to find you in location searches.
- Phone Number: The phone number you want to receive calls on
- Email Address: email address &ndash; this is optional
- Payment Types Accepted: methods of payment that you accept, Cash, Check, Credit Cards
- Print this Listing: a button on your listing page that allows users to quickly print your listing information.
- User Ratings: users can rate your listing. This gives a quick indication of listing popularity to people looking for practitioners.
- User Reviews: users may write a review, sharing their thoughts and experience. This serves as a useful guide to people visiting the site looking for practitioners.
- Number of Visits: tells you how many people have visited your listing page.
- Fax Number: - optional
- Mobile Phone: - optional
- Website Address: your website address
- Map and Directions: a Google map is generated based on your address information to help people find you. If you practice from your home, you do not need to fill in your street address.
- Logo: your business logo or your picture.
- Recommend to a Friend: a link that allows site users to send your listing link to a friend

There are 2 ways to add your listing:
